

# Cornerstone Lessons Holy Week – March 28<sup>th</sup> to April 4<sup>th</sup>

Hello Parents!

It's Holy Week, and this week is a full of opportunities to share the Gospel Message with your children.

There are several online and in-person events you can use, plus I have provided some kid appropriate videos for each celebration. For Easter Sunday I have included a kid friendly video, and I would encourage you to attend the online or in-person celebration at Church. I recognize that watching church on your TV or computer can feel odd; but Praise God we have the technology that allows us to celebrate in this way.

Some questions:

- What do you already know about “the Cross”?
- How do you *feel* about “the Cross”? Is it scary? terribly sad? mysterious? hard to understand?
- How do you think JESUS felt about going to the cross?
- Do you think he had an option not to go? (Yes). He went willingly—what does that say about Jesus?

*Scripture: "God demonstrates his own love for us in this: While we were still sinners, Christ died for us." Romans 5:8*

**Ask:** “What does it mean that Christ died for us ‘*while we were still sinners*’?” (It means God was demonstrating his love for sinners, not just saints. God's forgiveness is a gift for being loved, not a reward for being perfect.)

## **Easter Sunday – April 4<sup>th</sup>**

The Easter Sunday service will be offered in person and live streamed. Links to RSVP and or watch online will be sent by email early next week.

Grade 1 to 6 – Questions for Discussion:

- Discuss with your kids what Easter means to you. Why is it important?
- Ask what part of the Easter story is most memorable for them?
- Do you have a favorite tradition at Easter? If yes, what is it?
